

# Analysing

**Analyse documents**  
**Explore existing content**  
**Ask lots of questions**

- What do you need taught?*
- Who is your audience?*
- When do you need it?*
- Face-to-face or online delivery?*
- Choice of media?*
- Video, printed manual, website?*
- Who will be involved?*
- Part of elearning?*
- Assessment?*

*continued ...*

# Designing

**Design creative approach**  
**Create prototypes**  
**Brainstorm & negotiate**

How a learning resource  
 is developed at Parryville

parryville.com.au
